SKILLS

EXPERIENCE

Design

SENIOR UX CONSULTANT, DANSKE BANK

User flows Ideation

Copenhagen, Denmark | Sept 2017 - May 2018

Sketch & Adobe Principle & Origami Rapid Prototyping Strategy & vision Researched, prototyped, tested, and QA'd many different parts of a highly-complex, client-facing financial platform serving corporations and institutions in Denmark, as part of a versatile UX team. Ensured UX was on track with the development agile process.

Research

LEAD UX CONSULTANT, VING

Data analysis
User testing

Stockholm, Sweden | March 2017 - July 2017

Personas/Scenarios

Worked closely with both back-and-frontend developers (in Sweden and Ukraine) as the sole resource for the overall information architecture, workshops, rapid prototyping, extensive user testing, and coaching junior UX staff.

Personas/Scenarios

Design critiques

UX CONSULTANT, RIKSTV

Surveys

Oslo, Norway | February 2017 - March 2017

... · c j

Designed and user tested a new internal call center logging tool for the client, with a focus on fast, keyboard-based interactions. Conducted multiple surveys, interviews, stakeholder workshops, and a final presentation.

Dev

UX CONSULTANT, PRIMEKEY

HTML5

Stockholm, Sweden | January 2017 - February 2017

CSS3

I conducted an exploratory information architecture overhaul for the flagship platform, improved the UX of extremely complex interfaces, and convinced crucial stakeholders of the UX benefits as they proceeded to implement the findings and design suggestions.

JavaScript Bootstrap & Flexbox

LANGUAGES

FREELANCE UX, PAC Method

English (fluent)
Croatian (native)

Split, Croatia | Oct 2015 - Oct 2016

Swedish (advanced)

I reserached and created a new onboarding experience through the use of personas, user journeys, and interviews for a secure file-sharing startup.
